## Sports Leaders

### Learning To Be A Leader

#### I'm Now A Leader

My name is Will and every Tuesday I go to St Christopher's in Wrexham. I am currently doing a sports leaders level 2 course with Morgan. I have to prepare and deliver PE lessons with kids that have physical and learning disabilities. In the morning we do the theory part of the course when we plan what we are going to do. Last week we were discussing how we would create a risk assessment. I enjoy this course because I get to meet new people and I also get to help kids enjoy sports. I also like it because doing this course is giving me a confidence boost in speaking out loud to other people that I have never met before. On this course all the people are so nice, they are really respectful and they a good laugh. Morgan and I are both grateful for this opportunity because it is really helping us learn new skills every week. We love it and can't wait to go back every week.

**Will**

#### Terracotta Warriors

On Tuesday me, (Kris) and most of Aur including Jack went to the Chinese Terracotta Warrior's exhibit in the World Museum in Liverpool. It was amazing to see all this ancient Chinese history from crossbows to jewellery from over 2500 years old each exhibit was amazing. As our tour went round the exhibit, she told us the story of the Xin dynasty and how it became to be the greatest empire in all of china. She also told us the importance of looking after the emperor and how the army depended on horses. This Chinese culture was interesting and left me with my 'mind blown'! Overall the trip was a great experience and I am lucky to be able to see the warriors and there history. Thanks to Andy for organising this trip.

**Kris**

## Bush Craft

Me, (Lee) and Morgan went into the forest to do some bush craft with Nick and Wardy. Firstly we had to get lots of wood for a fire and then light it using sparks from a flint. We had a great time sitting around the fire roasting marshmallows and drinking hot chocolate. We had lots of fun but also learnt some new skills and how to be safe around fire. I loved being outside and spending time with my friend, Morgan. We put the fire out with water and returned to school. Everyone back at school kept saying that we smelt of smoke, but I didn't mind because it was a brilliant day. Thanks and I can't wait to go again.

Lee

Every child will get an opportunity to go and create their own adventures with EL. Taking risks and enjoying the outside is what we encourage with highly skilled instructors to guide your adventures. Embrace your time on EL and learn from each other with team and individual experiences. Have fun. Nick and Wardy will see you soon.

## New Staff Welcome to Bryn Tirion Hall

We would like to welcome all the new staff

- Dan
- Jordan
- Nickola
- Laura
- Alisha
- Chloe
- Gary
- Claire

**Dan**— The children make my new job just brilliant.

**Jordan**—I've really enjoyed my first few weeks here. Everyone is very helpful and the children are great.

**Nickola**—I am loving it here. The children have been brilliant and the staff are very welcoming.

## G2G

Myself (Jaiden), Elias, Kris, Liam and Jack have been attending G2G in Rhyl. G2G (good to great) is based on IT using Lego robotics, 3D pens and many other technologies. I really enjoy each session we've had at this external provision. I've been able to code the Lego on software called 'WeDo 1.0 and WeDo 2.0'. Me and Elias are working together each week as I code and he builds the Lego. It is really fun working with Elias on each project working towards our City & Guilds level 2 in internet use and digital skills. We also work together to work on our personal skills and to see what type of learner we all are. We've learnt about Kinaesthetic, Visual, Audio learners and how we can use our strengths and weaknesses work together to be a successful group. It is really interesting to see how we all had different learning styles. I was a Audio and Visual learner. We have also used 3D pens and 3D printers completing different problem solving tasks. I found it hard to use the 3D pens but it was fun trying to make 3D shapes. We are always learning new skills and I look forward to returning each week.

## Remembrance Sunday 2018

Sunday 11th November marks 100 years since the Armistice was signed in November 1918 bringing an end to the First World War. Events will be held across Britain paying respect to the men and women of Britain and the Commonwealth who served in the First and Second World Wars. Wear your poppy and remember.

## Pupil Leaders

**Roll up Roll up all you potential leaders out there!!**

We are looking for you all to apply for these exciting roles within our school:

- Equality Leader
- Rewards Leader
- Anti-Bullying Leader
- One World Leader

Pick up an application form from Pete asap. Good Luck
