Carry On Camping

EL camping trip to the Ogwen Valley

Aur

Aur camping trip was amazing. We started our adventure by going to Llanberis. We enjoyed paddle boarding and had a great time pushing each other in off the pontoon. After lunch, we arrived at the campsite and had the opportunity to explore without our staff. We had a great laugh and ended up walking up the mountain. Luckily when we got back to camp, we had hot pizza and garlic bread waiting for us. Oh and the best potatoes I've ever eaten! We really enjoyed sitting in our hammocks by the fire listening to the staff telling us ghost stories. In the morning we had sausage baps and went gorge walking. The water was freezing but it was great fun. To finish our adventure we had hot chocolate at Surf Snowdonia. Thank you to all staff for making the camp an amazing experience.

I brought the biggest bag in my class. We put them all in the cars and drove to Llanberis Lake. We had a great time, but I screamed because the water was so cold. I loved the paddle boards and I was really fast. After warming up we went to the campsite. We all put our feet in the stream and then walked up the mountain. Later, we went to stroke the wild horses which was really cool. We were hungry so we had lovely pizzas, garlic bread and yummy potatoes. We then played volleyball and went in canoes which was great. After a long walk, I tried to save a girl from a killer cat but got chased by this crazy thing called Marmalade. I hate that cat! The next morning at the campsite, we had a big breakfast and had an amazing time exploring. I did all the washing up before going gorge walking. Wow the water was cold but it was fun. Camp was amazing. Thank you everyone.

Unfortunately our overnight stay at camp was cancelled due to very high winds, but we still got to go gorge walking and to the lake in Llanberis. Both days were brilliant and pushing each other in the lake and watching everyone slip around on the gorge was hilarious. We did get to go camping the following week which was really cool. We ate pizza and potatoes and then got dropped off by the shop so we could walk back to camp on our own. We used head torches to see where we were walking. We had a great laugh on the walk telling stories which ended up being funny and not scary. It was late when we got back to camp so we all had roasted marshmallows. Most of us fell asleep except for Kamile who decided to wait until 7am to go to bed!! In the morning we packed up and had lovely bacon and sausage baps. When we got back to school I nearly fell asleep on my desk. I was shattered. I really enjoyed the whole experience and I'll always remember the beautiful views at the campsite. Thanks everyone for this opportunity.

We all enjoyed jumping in the lake, the paddle boards and the kayaking, it was very fun. We pushed ourselves against the wind and waves. You would all be very proud. The campsite was muddy and the wind was horrible if I do say so myself (Mackenzie). One of the best parts was night walking and being with the whole class, but the cows gave us a fright. We ate lots of food and our bellies were full up. Everything was set up for us by Nicky and Wardy. It was so special and nice. Gorge walking was fun but very, very cold. Maybe I will go again but hopefully when it is warmer (Katie). Wardy, GIVE ME BACK MY MARIO TEDDY!!

Noah – I loved every bit of camp. I went gorge walking and swimming in a big lake. I stood up on a paddle board too! It was fun because it was freezing. I enjoyed exploring the campsite. It was beautiful.

Joshua – Camping was fun. I loved sleeping in the tents the best. I didn't like the sheep. I went gorge walking and it was really hard. I watched everyone in the lake having fun. My favourite bits were the pizza and sleeping.

Levi – I liked the campsite because I could explore. I didn't go gorge walking but I was brave the second day and got into a wetsuit and in the lake. I ate yummy sandwiches at the campsite. I want to go again because I wasn't even tired.

Demi – Camping was amazing. My best bit was rock climbing at the campsite. It was fun at night in the tents but I didn't want to sleep. The pizza was nice and hot. I stood up on a paddle board in the lake. I really want to go again.

Tyler – My best bit of camp was eating lots of pizza. I have never been gorge walking but it was fun and cold. I explored around the campsite. I laid down on a paddle board on the big lake. I didn't sleep much but I loved the tents.

Terriers

Years 9 and 10 went to Liverpool's Royal Court Theatre to enjoy Terriers. A play that deals with knife and gang crime with young people. Aldo is a bright gifted sportsman but what will he do when his friends want him to be in their gang 'The Terriers'? What will he do when they hand him a gun and tell him to use it if you want to be one of us? Unfortunately these are real pressures put upon some young teenagers across the UK. All our pupils who attended really enjoyed the experience and want to thank the staff for organising this trip.

Record Breaking September

What a September we have had. Amazing! Every class has attended the EL camp and worked in school to an extraordinary level. All staff have worked tirelessly to provide a high level of teaching, flexibility and new experiences which has helped every child achieve an even higher standard for our school. A big 'Well Done' to all pupils and staff in making this September the best on record.
